"We like it here"

The motto of Wisconsin is "Forward." The state's progress is shown in its expanding industry, in its conservation and agricultural practices, and in the recreational facilities developed from its natural resources.

The people of Wisconsin have learned to cherish its natural beauties—scenic moraines, unusual rock formations, and tranquil lakes and streams. Throughout the changing seasons, we enjoy varied outdoor activities—swimming, fishing, hunting, golfing, skiing, and horseback riding.

The annual staff has tried to capture familiar scenes in the state and community, which will help recall pleasant memories of the past year in Neillsville High School.

We like our history teacher

The formation of government on the national, state, and local levels is stressed in all social science classes—history, economics, and government. An appreciation of America's past and an understanding of the problems of today's world are reinforced by observation of our local government.

Seniors in Government visit the circuit court with Mr. Smith.

In gratitude
for your inspired teaching
of American history and
government,
for directing our Senior
play, *Two Blind Mice*,
and for advising the Na-
tional Honor Society,
the Senior Class affection-
ately dedicates the 1967
Warrior to you, Mr. Smith.

MR. KENDALL LOUIS SMITH

Bachelor of Science Degree
Winona State College
Winona, Minnesota

Mr. Smith plays an active role in our community by singing in his church choir. A well-known tenor soloist, he usually is accompanied at the organ by Mr. Victor Lehmann.

Mr. Smith serves his fellow-teachers as vice-president of the Neillsville Education Association. Before coming to Neillsville in 1961, he taught at Weyauwega, Wisconsin.

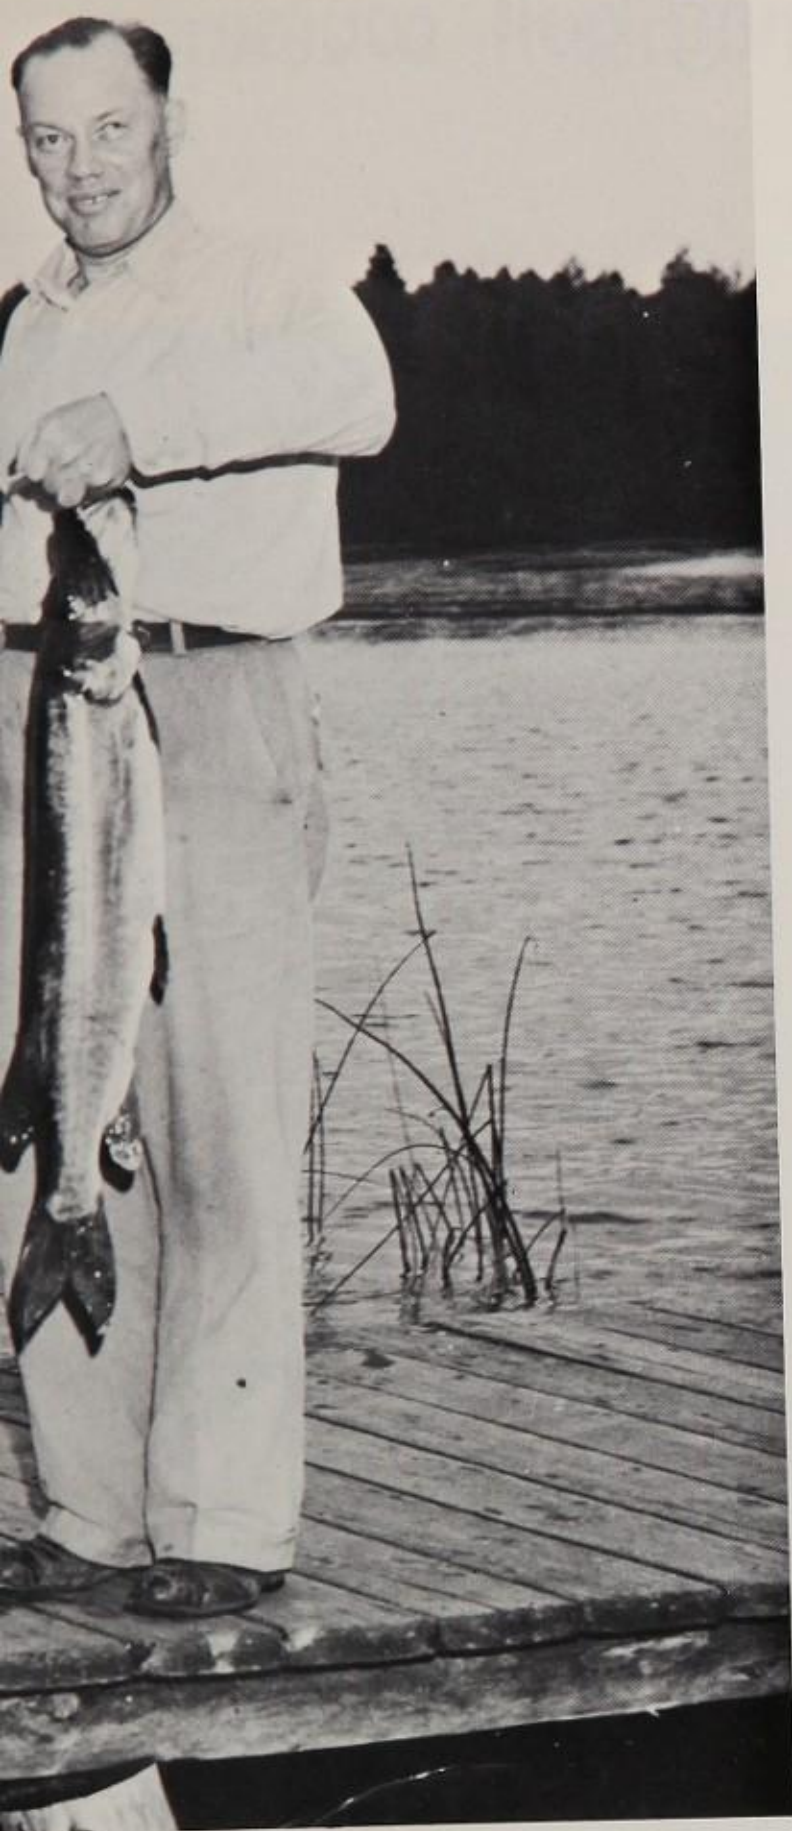

Arthur, General "Ike", Edgar, Milton, and Earl Eisenhower

"We like fishing"

The Eisenhower brothers, shown with a catch of five muskies and a northern pike, might not agree entirely with Izaak Walton who said, "God never did make a more calm, quiet, innocent recreation than angling." The thrill of landing a musky is not a calming, relaxing experience but an exciting adventure.

Wisconsin is proud to include among its guests, General Eisenhower of whom Sir Winston Churchill said, "He has the ability to stir men's hearts and to make great nation's march together." Neillsville High School joins in paying tribute to our former President, "We like Ike!"

From

"An Open Letter
to America's
Students"

"To be a good American is the most important job that will ever confront you. But essentially it is nothing more than being a good member of your community, helping those who need your help, striving for a sympathetic understanding of those who oppose you, doing each new day's job a little better than the previous day's, placing the common good before personal profit. The American Republic was born to assure you the dignity and rights of a human individual. If the dignity and rights of your fellow men guide your daily conduct of life, you will be a good American."

with best wishes

An exciting and challenging golf course

The skill of the Warrior linkmen and other area golfers is tested by an exacting course. Amid a setting of rolling hills, their recreational pleasure is increased.

The Warriors have won the Cloverbelt Conference championship four consecutive years, and prospects for another championship appear good since the team lost only one member through graduation.

On this high note of expectation, we salute the golf team for its fine performances.

Throughout the year, the Senior Band functions as an active and exhilarating representative of our school. At home athletic events, enthusiasm is engendered by its spirited music and well-presented half-time shows. Together with the chorus it entertains at concerts during the school year and presents evening concerts during the summer.

In '66 and '67 the band took part in numerous community affairs, including the dedicatory programs for the new school buildings, the impressive Clark County courthouse, and the scenic Listeman Arboretum. The community has come to rely upon the band which is proud to march in local parades and to perform at the festivities of neighboring communities.

Although the band functions as an unit in most activities, the individual members participate in other musical events. The solo and ensemble contestants have proved to be excellent musicians and have won honors at both the district and state contests held in Eau Claire and Madison.

After the game dances—relaxation—even work is fun—

“We like our school”

Overnight trail rides and a horse show highlight the year for the Saddle Tramps. Pictured with her horse is our foreign exchange student, Yvonne Brunner of Switzerland.

Recreation for every season

Russell Memorial Park is a favorite summer vacation area. Many of the students travel to the park on buses provided by the summer recreation program.

Skiing at Bruce Mound or Shuster Park is winter sport filled with fun, thrills . . . and occasional spills.

The Annual Board

Members of the annual staff attended a yearbook seminar at Marshfield last March and the Chippewa Valley School Press Association workshop at Eau Claire State University last October. Mrs. Sherren, our adviser, has served on the Board of Directors the past five years and as treasurer of the association this year.

The annual staff relaxes after a day of photographing the underclassmen. That's our genial photographer Mr. Strack in the foreground.

Pat Hake, Carol Hanson, Bob Sebesta, Tana Larsen, Mary Henning.

Linda Grottke, Mrs. Sherren, Linda Stelter.

Carol Hanson, relying upon reporters to interview faculty and officers of clubs, completed a heavy assignment in covering eighteen school organizations.

Linda Grottke, secretary to the Annual Board and to Mrs. Sherren, was assisted in her typing of triplicates by Linda Stelter.

Steve Daniels and his staff are pictured on the advertising division page.

New features added to monthly publications

Five members of the *Warrior Post* attended the Chippewa Valley Press Convention at Eau Claire in October. These members were Linda LaZotte, Ken Short, Eugene Carl, Eugene Wall, and Mary Lou Olson. Linda LaZotte participated in a panel discussion with other newspaper editors.

This year the editors of our newspaper tried to make the articles more interesting to the students. They added such features as "Your 2¢ Worth", the "Dear Morti" column, and the horoscope.

Students assist our librarian

Student librarians have many duties. They check out books and magazines, shelve books, and help other students find information in the reference section.

Another important section of the library is the audio-visual and periodical room. Materials are stored and cataloged here so that they are easily available for teachers and students.

Future Homemakers demonstrate skills in clothing

Sophomores cut out dresses.

Seniors demonstrated sewing to Juniors.

“Toward New Horizons”

The Future Homemakers chose as their main project “neighbors near and far.” At Christmas time they sang at the Memorial Home and at Easter made decorations for the home. Members also served lunch for the school Christmas party.

Money making activities included cookie and bake sales, selling Stanley products, and washing cars.

The annual style show was held in the spring and the officers for the next year were installed. Mrs. Larsen, the adviser, and some of the members attended the state convention at Green Lake.

Freshmen watched modeling.

Left to Right: Toni Svetlik, Scribe; Charles Schlegelmilch, Quaestor; David Roberts, Program Chairman; Mrs. Hoesly, Adviser; Michael Feuerstein, Consul; Terri Guest, Vice-consul.

Latin Club explored Roman customs

The Latin Club had an especially active year. The officers, elected after a spirited campaign between the Patricians and Plebeians, sparked the program for an enthusiastic membership. Skits concerning Roman customs often enlivened monthly meetings.

Two gay celebrations were held this year. In December, Saturn cakes and Latin Christmas carols combined to make the Roman holiday, Saturnalia, lively. The Roman Banquet was held later in the year, and the feast was truly Roman. Freshmen were sold as slaves and their owners were very demanding. All were happy when the Pater Familias, Mike Feuerstein, gave the command, "Dinner is served!"

Diverse activities reveal enthusiasm and originality

Mary Jo Zilk and Yvonne Brunner helped to display the posters for the Latin Club Dance. Since it was a celebration of the victory over Thorpe and featured a band, the dance was a great success.

A Spanish Class in the language lab

Estudiaron mucho

The equipment in the Spanish lab has been available for the past two years. The instructor can monitor the work of students from the console. Students work independently at the booths using tapes to practice their Spanish lessons.

Miss Dekker taught Debby Bremer, Spanish Club Treasurer, how to operate the console, which is connected to the system of earphones.

Tana Larsen, Vice-president, and Ken Pischer, Treasurer, watched Russel Ratsch, President, try to break the piñata at the Christmas Party.

Spanish Club lends foreign flavor

Through Spanish Club activities, members were encouraged to use their knowledge of Spanish outside of the classroom. The activities during the meetings ranged from business meetings to singing and parties. A picnic was held in the spring.

The highlight of the year was the Christmas party and singing the traditional Christmas story in Spanish.

Learn computation on slide rules

The Math Club's main project was to teach underclassmen how to use the slide rule. Senior members assisted Mr. Wilcox in explaining the slide rule and demonstrating how it can be used to save time in computation. This information can be used in chemistry and physics as well as in college math and science courses.

Through the efforts of the Math department Russel Ratsch, school winner in the test of the Mathematical Association of America, competed in the State examination.

Original skit presented at Christmas

The Society gave a meaningful skit at the school Christmas party entitled "Letters from Viet Nam". Members composed the letters used in the skit which brought home closer to our hearts and minds.

Eighteen new members were inducted on February 14, during an impressive candlelight ceremony conducted by the old members, after which lunch was served for parents and teachers.

Qualifications for membership include maintaining at least a 3.0 average and the selection by the faculty on the basis of character, leadership, service, and scholarship.

In order to finance its many activities, the boys had a refreshment stand at football games, sold seed corn, and had a seven acre test plot of corn from which they received the profits.

Participating in the River Falls Techniques contest, the chapter came back with three superior ratings. Crop and farm management teams entered state judging contests. During national FFA week, February 19-25 which was selected to honor George Washington who improved agriculture during his day, Mr. Quast presented a special radio program on WCCN.

OFFICERS

Chorus initiates new robes on December 13

Chorus, a credit course and an extra-curricular activity, joined the band in presenting the annual Christmas Concert held in the high school. This picture was taken when the cranberry colored robes were worn for the first time. In February it sang two selections at the National Honor Society induction and also attended the mass chorus clinic held in Loyal. Some of the members entered the district solo and ensemble contests at Eau Claire. The vocal department ended the year's activities by performing at commencement exercises.

Our student governing body

Student Council serves as a link between students, faculty, and administration. Two members represent each homeroom and conduct the monthly homeroom meetings. Marilyn Anding represented our high school at a Student Council workshop in Stevens Point.

Popcorn sales at basketball games and wrestling matches earn money for various projects, such as contributing to the fund for a foreign exchange student and continuing the sponsorship of Bundle Days. On Career Day, January 31, 1967, Council members registered visitors and acted as guides when 25 representatives from colleges, vocational and technical schools met with students from Fairchild, Granton, and Neillsville.

The Council sponsored the all-school Christmas party and purchased the Christmas tree for the main hall.

Thespians master make-up techniques

Thespians encourages students to participate in dramatic and speech activities. This year the club helped with the stage make-up for the Junior Class Play. At several regular meetings forensic contestants gave their selections. The club sponsored a program so that all students could see the pictures of Mr. and Mrs. Hoesly's European trip. This presentation was very enjoyable as well as educational.

Gloria Schraufnagel and Pat Hake put make-up on Ken Short for the senior class play.

Students excel in speech work

At the time of the preliminary school contest on January 17, seventy students were enrolled in forensics. Miss Grace Walsh of Eau Claire selected our forensics team in the second contest on February 21. Our school was host to the thirteen Cloverbelt Conference schools which competed on March 11. Forensic Club members worked in preparation for the contest and throughout the day as guides, timers, and typists. Beginning with this competition, advancement to the next contest was based upon receiving an "A" rating. Successful speakers competed at the district contest in Eau Claire, and finally at the state contest in Madison.

“Tammy Tell Me True,” Junior Class Play

Tammy, a sensible riverboat girl, ventured to college so she might be more like her educated boy friend. All the people who knew her were filled with affection for this sweet, down-to-earth girl. Tammy and the diverse personalities surrounding her, portrayed effectively by the members of the cast, provided both lively humor and quiet inspiration.

"Two Blind Mice"

Two elderly women, Crystal and Letitia, operated an abolished government department for several years without drawing attention to their plight. Then Tommy Thurston stepped in to conduct an interesting experiment testing the gullibility of government workers. The plot of this rollicking satire was complicated by the romance between Tommy and Karen.

“10-20-30-40-50 — and more —
The mighty red Warriors
are raisin’ that score!”

The Pep Club sponsored the Homecoming Dance and sold Warrior buttons to brighten the cheering section at NHS games. Mr. Heckl and Mr. Hagedorn advised the club.

During activity periods, the Cheerleaders taught new yells to the club members. Through the club, students learned good sportsmanship.

The "N" Club, an organization for boys who have earned varsity letters, gives special athletic equipment to the school. The profits from selling pop at games and from the pop machine is being used to buy an electric scoreboard for the football field.

The club took two trips to the University of Wisconsin, one to watch an intrasquad football scrimmage and the other to watch the University basketball team play Ohio State.

Warriors finish fourth in Clover belt

The Warriors ground out a record of three wins and six losses on the gridiron, playing as tough a schedule as a Neillsville team ever has had. Durand, ranked number one in the state, and Greenwood, Cloverbelt champions, won handily against the fighting home squad. Colby had its problems before coming from behind in the fourth quarter to defeat the Warrior eleven, 18-12.

The team of Coach Joe Heckl finished fourth in the Cloverbelt Conference but ended the season with a heartbreaking 13-12 defeat by Fall Creek in the play-off.

Two members of the squad were selected for the All-Conference defensive team. Eugene Carl, an end, and Terry Holub, a linebacker, were those who received this recognition.

Wealth of experience lost through graduation

Seven lettermen ended their football careers at NHS this year. Two of them, Mike Smith and Don Subke, were on the special kick-off and receiving team known as the "suicide squad." The other five were on the offensive and defensive teams. A combined total of 22 years of experience will be lost with the graduation of the seven.

MOST VALUABLE

Fellow members of the team honored Terry Holub by selecting him Most Valuable Player.

Terry was an All-Conference line-backer this year, a distinction which he received last year, also. On offense, Terry was the starting full-back and led the team in scoring with 31 points on five touchdowns and one extra point.

Freshmen squad drilled on fundamentals

Under the thorough training of Coach Darwin Krall, the team developed several players who were promoted to the "B" team during the season. Nine members of this year's squad were eighth graders and will provide a solid backbone for next year's team.

Against Fall Creek the Neillsville punting team trots in on fourth down.

Cagers set scoring mark

During the year, the team set a single game school scoring record of 99 points in their second game against Owen. The team's offensive average was 67.1 and its defensive average was 64.7.

Seven members of the squad scored over 100 points during the season. Bruce LaZotte and Bill Knoff were named to the all-Conference first string, and sophomore Dave Roberts gained a second team berth.

The Warriors went into tournament play with a record of ten victories and seven defeats. Its conference record of seven wins and three losses was good enough for a second place tie with Loyal. In the Cloverbelt play-offs, the Warriors beat the Fall Creek Crickets 66-45 in a battle of runners-up.

In WIAA subregional play at Loyal the Warriors won their first game, 69-62, against Greenwood to run their string of consecutive victories to six. In the finals the team was defeated by Loyal. The Greyhounds went on to win the regionals, but were defeated by the Wausau Lumberjacks in the sectional championship game.

The senior players, Ken Short, Ken Carl, Bill Knoff, and Larry Olson, and manager Svetlik attended the state tournament in Madison with Coach VanDam.

MOST VALUABLE

Junior forward Bruce LaZotte was voted Most Valuable by the members of the cage team. Bruce was the team's leading scorer in the regular season with 237 points, a 14.8 average. He led the team in rebounding and was a fine defensive player. At the close of the season, Bruce was an almost unanimous choice of the league coaches to the all-conference team. He is shown in the above picture jumping center in the Owen game and on the right making a lay-up against the Blackhawks.

"B" team compiles winning record

The junior varsity squad, composed of freshmen and sophomores, came on strong at the end of the season with a four-game winning streak to finish with a record of eleven wins and six losses. The team's leading scorer was forward Russ Karl who finished with 290 points and a 17.1 average.

Bill Knoff, shown here sinking a lay-up in the Owen-Withee game, was named to the first string all-conference team by the league coaches. Bill ended the regular season with 232 points and a 13.3 average, developing into a strong rebounder in the second half of the season.

Wrestlers champs at regionals

The NHS grappling team, with its main strength in the lighter classes, ended the year with a record of seven victories and four defeats. During the season the squad placed fourth at the Ladysmith Invitational, only 4 points out of first place, and earned a second place tie in the Cloverbelt Conference meet. The Warriors gained 10 points at the state meet, putting them in a tie for eighteenth place.

MOST VALUABLE

Mark Janicki was named Most Valuable by his fellow grapplers. Mark, who wrestled in the 120 lb. division, was tied once in thirteen matches during the year. He won a championship at the Ladysmith Invitational as well as topping his class in the Cloverbelt Conference. Mark, earning his way to Madison by taking championships at both the regionals and sectionals, placed fourth in the state meet.

REGIONAL CHAMPIONS

The WIAA regional wrestling meet held at Auburndale February 10 and 11 was won by Neillsville. The individuals who led the Warriors to the trophy by winning championships are: Tony Smith, 95 pounds; Dan Krehmeyer, 133 pounds; Terry Holub, 154 pounds; Coach Heckl; Mark Janicki, 120 pounds; Craig Janicki, 103 pounds.

FIFTH IN STATE

Terry Holub, shown at the right on Coach Heckl's shoulders, was a valuable asset to the Warrior team. He won championships at the Lady-smith Invitational, the Cloverbelt Conference meet, the regionals, and the sectionals, and ended the season by taking fifth in the state.

Three school records broken

Undefeated during its regular season, the track team placed fourth in the Cloverbelt Conference meet at Eau Claire in competition with eleven other teams.

Terry Holub established a record of 55.3 seconds in the 440 yard run. The mile relay team—Glenn Poler, Lavere Ehlers, Ken Fischer, and Holub—fixed a new mark of 3:40.6. Steve Roberts, Dick Schoengarth, Poler, and Holub in the half-mile relay also made the books with a time of 1:41.0.

At the sectionals the mile relay team and Lloyd Johnson in the broad jump earned their way to the state meet by gaining second place finishes.

Members of the team elected Lloyd Johnson Most Valuable for his outstanding performances in the broad jump, high jump, and the 880 yard run.

Warriors sweep seven dual meets

In the most successful season since the sport's initiation at NHS in 1963, the golf team won eight dual and triangular matches and took second in a quadrangular at Black River Falls.

Following the regular season, the linkmen of Coach Ken Van Dam clinched the Cloverbelt Conference championship, leading runnerup Colby by 30 strokes. This was the fourth consecutive year Neillsville golfers have won the conference trophy. They placed fourth in the sectional golf meet at Owen trailing the leader, Rhinelander, by 29 strokes.

MOST VALUABLE

Coach Van Dam selected Bill Knoff as the most valuable on the squad. Last year he received the same recognition.

Bill shot low score in many of the matches throughout the season and was also medalist of the Cloverbelt Conference meet.

Team record overshadowed by its spirit

Coach Thompson, rebuilding after a very successful year, put together a season record of two wins and five losses. Returning most valuable player, pitcher Ken Carl, along with eight other lettermen established the *Warrior* baseball team as one of the teams to defeat in the Cloverbelt Conference.

PITCHER GIVEN RECOGNITION

Ken Carl was elected Most Valuable Player by his teammates. He finished the season with an earned run average of 2.72.

Varsity
Cheerleaders

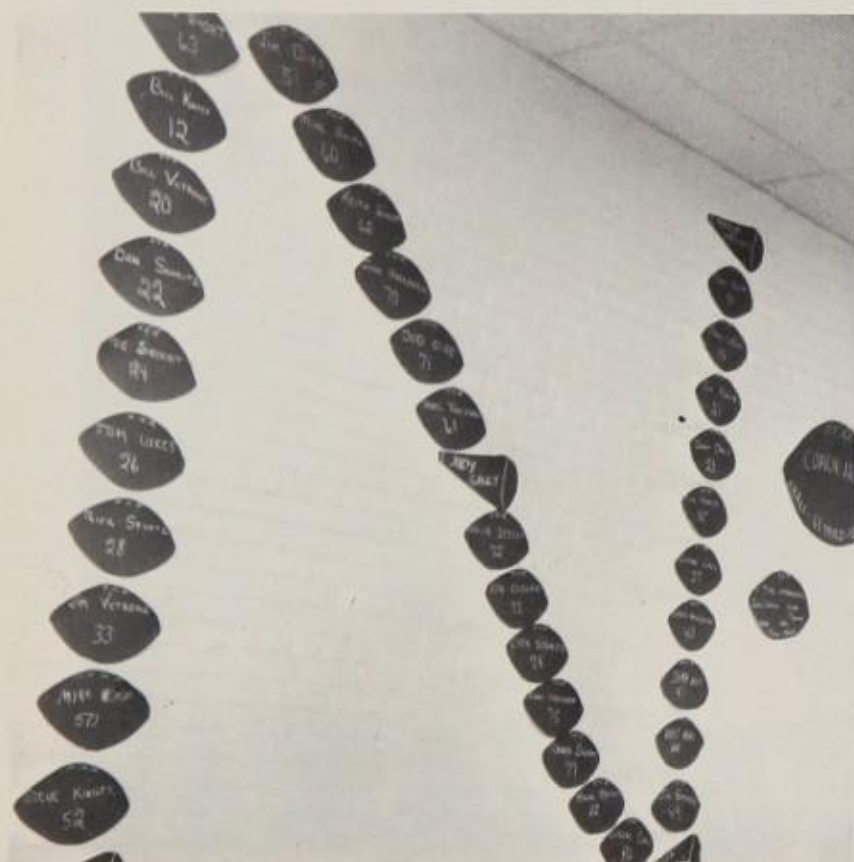

B-team
Cheerleaders

The enthusiastic efforts of the "Warrior" cheerleaders supported by cheering spectators promoted good spirit and sportsmanship in our school. When the competition was tough and close, the cheerleaders kept the flame of "hope alive in the hearts of all the loyal fans.

With advisers, Mrs. Larsen first semester and Miss Coil second semester, the girls planned all Pep meetings. "Red and White Day," another responsibility of the cheerleaders, added to the excitement during Homecoming week. Parents Night, a highlight of the sports year, owed its success to the work of that lively group.

Loss failed to dampen "Homecoming Spirit"

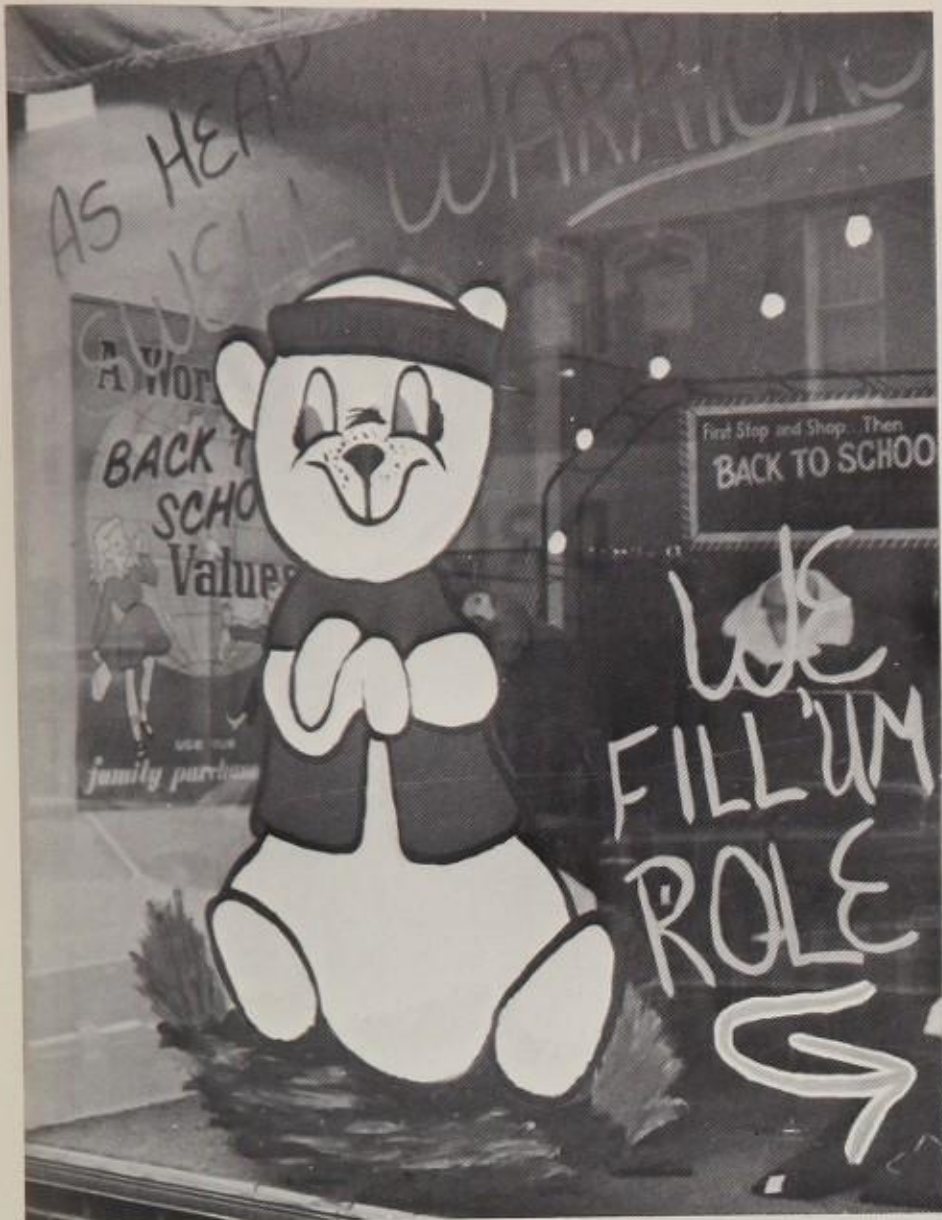

Homecoming week began with the usual confusion of rushing to finish all windows and floats on time. As work progressed a glowing bonfire was anticipated, but someone enjoyed its blaze before Thursday night. An incensed "N" Club gathered, and a spirited pep meeting was generated around the traditional bonfire.

Parade day came and dampness . . . The rain held off long enough for the town to see the results of the determined effort, imagination, and hours of talent put into the many floats. The rumors of a mechanized whale, train, and kangaroo had stimulated keen competition in the floats.

Then the evening brought the game with Greenwood and rain . . . a torrential downpour. The team lost, but the "spirit of Homecoming" remained unbeaten.

The dance with music by Howie Sturtz's Orchestra climaxed the week of excitement.

Kangaroos ... whales ... trains ... bees ... bears ... bonfires ... footballs ... When all these were mixed together, the result was "Homecoming!"

The Pep Club placed first in the window contest with the authentic looking bear. The Sophomores received first with their mechanized whale.

“In the Misty Moonlight”

The Prom, the highlight of the year, was anticipated by everyone, from the most popular senior to the coyest freshman.

After selecting the theme, the Junior Class accented the romantic headline with music by “The Starlights.”

Constructing the water fountain challenged the ingenuity of the decorating committee. By using pastel flowers, tinted water in the basins, and shades of silver and blue streamers, the illusion of “misty moonlight” was beautifully effected.

Coronation climaxes weeks of planning

The many weeks of work by various committees came to a close as the dance began. "In the Misty Moonlight" was very successful and will long be remembered, especially by the workers of the Class of '67.

Many thanks must also be given to Mrs. Braatz and Mrs. Warlum for their patience and assistance.

Education advanced by modern technical equipment

Seeking to improve opportunities in the vocational fields, to give remedial help in reading, and to diagnose and reteach in speech therapy, the educational program has been altered to meet the needs of students. An advanced course in biology was added last year and a beginning course in earth science was continued.

Overhead projectors, such as the one being used by Mr. Wilcox on page 26, movie projectors, slides, film strips, and the opaque projectors, are common place equipment used in most classrooms.

Mr. Dave Smith directs students in the industrial shop.

BOARD OF EDUCATION

Mrs. Slone, Director; Mr. Schultz, Director; Mr. Krutsch, President; Mr. Jordahl, Clerk; Mrs. Short, Treasurer.

In addition to the Board of Education and Administration, many individuals and citizens' committees contributed to the planning of the new buildings. In an effort to establish the educational needs of the community, the financial means, and a logical location of the schools, these people gave freely of their time. The contribution of the faculty to the planning of the curriculum areas was no small factor.

Seniors from Switzerland

Through the American Field Service program, Yvonne came to Neillsville from Altdorf.

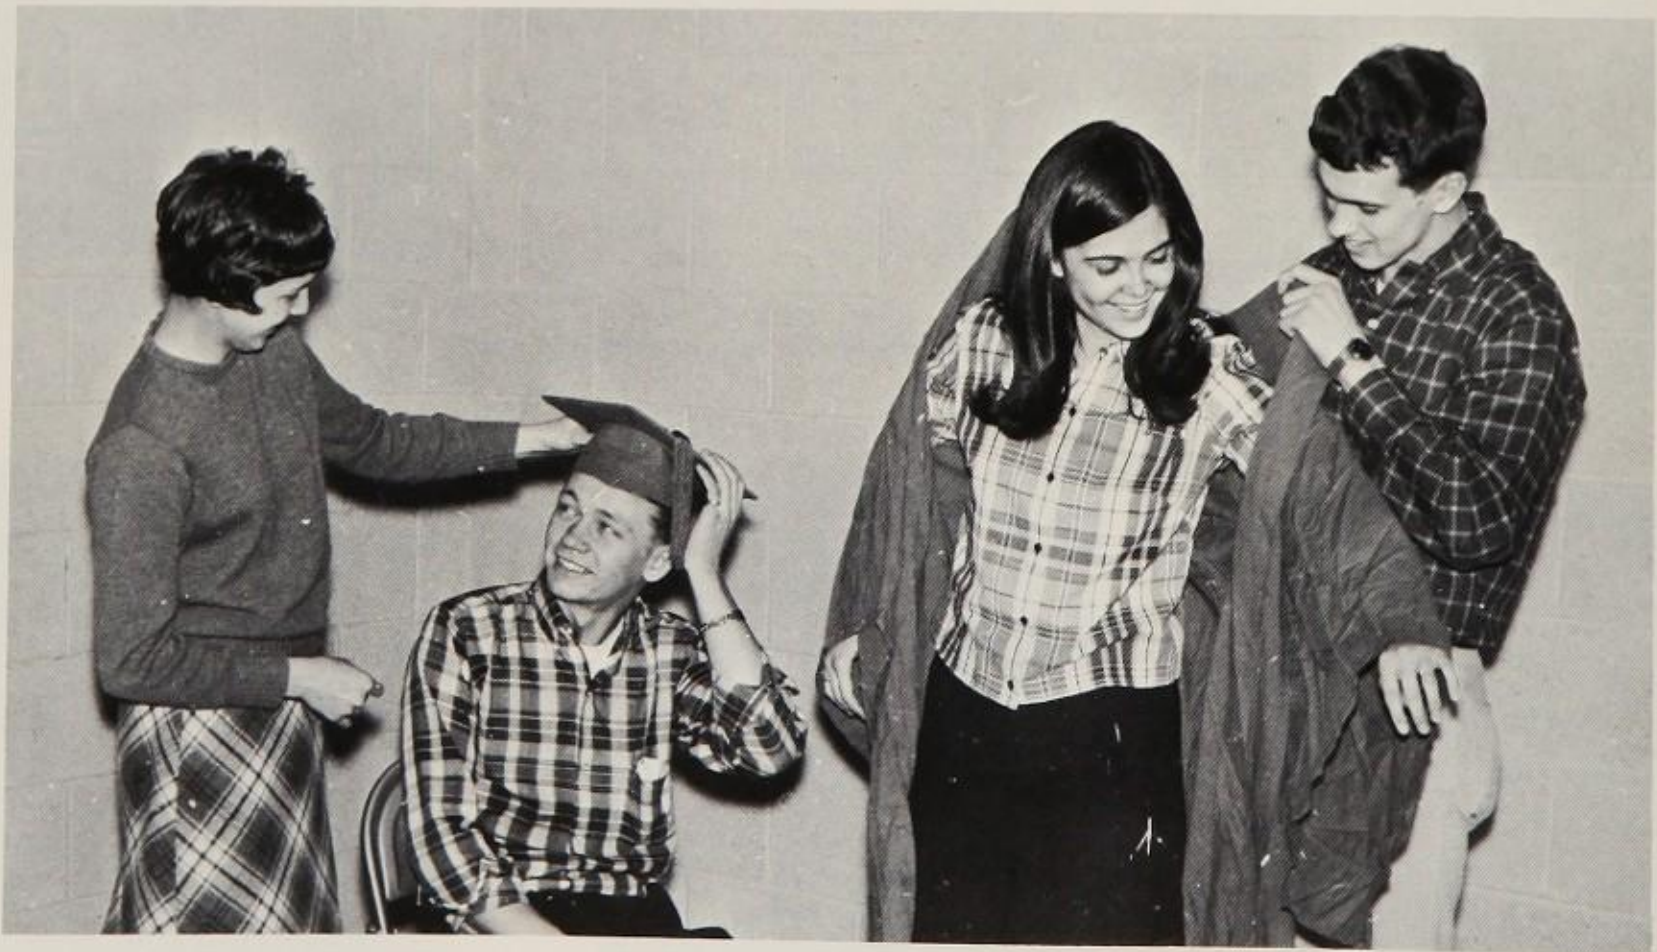

In April, 1966, Hans and his family came here from Rebstein.

Yvonne M. Brunner

Yvonne, who had played the violin in her school, was thrilled when Mr. Jensen loaned her his violin. She had been a troop leader and an enthusiastic member of the Girl Scouts in her home community. Yvonne became an active member of Thespians, FTA, Pep Club, and Latin Club. As an observer she attended the Student Council meetings. Yvonne's membership in these clubs, her visits in homes of the community, and her many talks to civic and religious groups, enriched all our lives.

The inclusion of so many extra-curricular activities within the school program is a new experience for Swiss students. Hans had played the baritone in his town band so he enrolled in senior and pep bands in NHS. He belonged to a Soccer Club and participated in trap shooting tournaments. Hans has enjoyed wrestling and track and was on the varsity teams in our school. Understandably, both Yvonne and Hans have spent many hours skiing in Wisconsin.

Seniors earn honors

Marilyn Anding, selected as DAR winner, adjusts the mortar board on Russ Ratsch, highest scorer in the Wisconsin Competitive exam in Math. Nick Ludovic, nominated to the Air Force Academy, helps Lorraine Short, "Homemaker of Tomorrow", try on a robe for graduation.

The faculty selected these seniors as deserving special recognition for their achievements in curricular or extra-curricular activities.

CAROL HANSON WINS SCHOLARSHIP

"A Reservoir of Beauty and Knowledge" was the title of Carol's essay in the tenth annual Thorp Finance Scholarship competition. The general subject was "Why I Like My State." Carol was the zone winner in a six school area.

Lorraine A. Short

Valedictorian

Lorraine's Freshmen Class selected her president; as a sophomore she was elected to the student council and served as its treasurer in her junior year. She was a charter member and president of National Honor Society. Lorraine joined Thespians, AFS, and FTA in her sophomore year and continued to work in all three organizations.

Pep Club and Latin Club were included in her activities. She was a member of the school forensic team and treasurer of the club. This energetic girl found time to be in the junior play cast and was first chair in trombone in the Senior and Pep Bands.

Since she likes to sew and cook, it isn't surprising that she placed first in competitive test and was named "Homemaker of Tomorrow." She enjoys flying and was news editor of the Teen section of *International Flying Farmers*, a monthly magazine. She is now national secretary of Teens.

In addition to earning the highest scholastic honor in her graduating class, Lorraine was the capable assistant editor of the *Warrior*.

Salutatorian

Kenneth, a member of "N" Club, was on the mile relay team which established a new school record. Interested in science and math, he joined the Science Club and the Math Club.

Ken is a charter member of the school chapter of National Honor Society. He was active in the Pep Club and AFS. This year he was treasurer of Spanish Club.

In the junior class play he enacted the role of one of the precocious youngsters. Kenneth was cast as Ensign Jamison in the senior class play, "Two Blind Mice."

I would like to take this opportunity to express my appreciation to those advertisers who have continually shown interest in our school. Without their support the publication of this yearbook would have been difficult. I am appreciative of the assistance and cooperation of my faithful staff. My thanks go to Mr. Strack and Lyn Opelt for making available many photographs, and to Tom Bergemann for his outstanding contribution as a salesman.

Steven Daniel

Bill Knoff, *Editor*; Lorraine Short, *Assistant Editor*; Russell Ratsch, *Business Manager*.

As we close the 1967 *Warrior*, we look back with fond memories to the many hours that have gone into this book. We especially thank Mrs. Sherren and other faculty members for their cooperation throughout the year, especially when we interrupted classes.

This yearbook is now yours. We hope that it has been as enjoyable an experience for you to read as it was for us to produce, and, in years to come, all of us will recall the 1966-1967 year with pride and satisfaction saying, "We liked it there!"
